

- This dataset comes directly from the Bureau of Labor Statistics' Current Employment Survey (CES). Here are some things you need to know:

- 1.) The industry table contains an NAICS code. This is different from the industry code. NAICS stands for North American Industry Classification System.
- 2.) Series ID is composed of multiple different codes. CES stands for Current Employment Survey, the name of the survey which collected the data. The industry code as specified by the BLS and the data type code as specified in the datatype table
